COMMITTEE FOR PROGRAMME AND CO-ORDINATION
Thirtieth session
7 May-8 June 1990
Agenda item 8

ADOPTION OF THE REPORT OF THE COMMITTEE ON ITS THIRTIETH SESSION

Draft report

Addendum

Rapporteur: Mr. David ETUKET (Uganda)

III. PROGRAMME QUESTIONS

D. Evaluation

6. In-depth evaluation of the development issues and policies programme: Economic Commission for Africa

1. At its 2nd, 3rd, 5th, 6th and 9th meetings, on 7, 9 and 11 May, the Committee considered the report of the Secretary-General on the in-depth evaluation of development issues and policies programme: the Economic Commission for Africa (ECA) (E/AC.51/1990/5).

Conclusions and recommendations

2. The Committee considered that the final evaluation report called for in paragraph 294 of the report of the Committee on its twenty-ninth session should take into account all relevant assessments and self-evaluations. The report should be analytical and provide action-oriented proposals to strengthen programme design and delivery. It should highlight the programmatic issues emerging in the review and evaluations of subprogramme 4, "Policies, institution and technical assistance for subregional economic co-operation", and subprogrammes 7 and 8, on the

Pan-African Documentation and Information System (PADIS), as well as ongoing reviews of the implementation of the Lagos Plan of Action and the United Nations Programme of Action for African Economic Recovery and Development 1986-1990.

3. The report should include:

(a) An analysis of the programmatic implications of the conclusions and recommendations of the above reports, including the contribution of the development issues and policies programme of ECA to the implementation of the Lagos Plan of Action and the United Nations Programme of Action for African Economic Recovery and Development;

(b) A summary of actions on those reports by intergovernmental bodies;

(c) An assessment of all subsequent follow-up activities;

(d) An examination of the effects of extrabudgetary resources on the priorities and on the achievement of objectives;

(e) Conclusions and recommendations, including proposals for the modification of the medium-term plan for the period 1992-1997 where appropriate.
